

Exercises for practising how much and how many.

**i** The difference between "how much" and "how many"

If you want to know the amount (= Menge, Anzahl) of something you can ask a question starting with "how much" or "how many".

How much is always used with uncountable nouns (unzählbaren Nomen/Hauptwörtern).

Example: How much milk do you need?

You also use "how much" if you want to know the price of a product.

Example: How much is this T-shirt?

"How many" is always used with countable nouns (zählbaren Nomen/Hauptwörtern).

Example: How many pupils are in the classroom?
