Revise the use of the 3rd conditional!

ℹ️ We use the 3rd conditional to talk about something in the past that did not actually happen. We use it to think about how things could have been if something else had happened. For example: If I had not missed the bus I would have been on time.
This is how the 3rd conditional is formed:
if + past perfect, "..." would + have + past participle

ℹ️ Das "3rd conditional" drückt aus, wie etwas gewesen wäre, wenn...."es ist aber nicht wirklich passiert".
Zum Beispiel: Wenn ich nicht den Bus verpasst hätte, wäre ich rechtzeitig da gewesen. ODER Wenn ich mehr gelernt hätte, hätte ich bessere Noten.

❓
If he had given me his phone number, I _____ called him.
○ have
○ would have
○ will have

❓
