

Do you know how to use reflexive pronouns?

**i** We use reflexive pronouns to emphasise that someone did something on their own, but they are also needed when using certain verbs (for example: teach, help, introduce, hurt etc.)

**These are the reflexive pronouns:**

I - myself  
you - yourself  
he -himself  
she - herself  
it - itself  
we -ourselves  
you - yourselves  
they- themselves

**i** For example:

Did you hurt yourself?

I cooked the meal all by myself.

The door closes itself.
