

Practise negations and questions in the Present Simple

**i** In the Present Simple we use the word "do" for negations and questions. OR if the sentence needs the verb "to be" use its correct form.

Form a negation by putting "don't" or "doesn't" (for: he, she, it) in front of the verb. For example: I don't like cats. OR She doesn't live in Berlin.

**i** To form a yes/no question use "do" or "does" in front of the subject (person). For example: Do you like cake? OR Does he have a brother?

If the question requires the verb "to be" use: Is/isn't or Are/aren't (for "you", "we", "they"). For example: Isn't she nice? OR Are they tall?
