

Practise negations and asking questions in the Past Simple!

**i** To form a negation in the Past Simple use an auxiliary verb in its simple past form and write it in front of the verb. You can use the shortened form or the longer version. For example: Tom didn't/did not go on holiday  
OR I wasn't/was not at the football match yesterday.

To form a question put the simple past form of the auxiliary verb at the beginning of the sentence. For example. Did Tom go on holiday? Were you at home last night?

Careful: Use "were/weren't" for you, we, they!
