

Do you know how to compare using adjectives in English? Have a go!

**i Comparison with -er/-est** (for adjectives with one syllable and for adjectives with two syllables and the ending -y, -le, -ow, -er)

For example:

clean – cleaner – cleanest

happy – happier – happiest

narrow – narrower – narrowest

**i Comparison with more and most** (adjectives with two syllables – except the ones mentioned above – and more syllables)

For example:

excited – more excited – most excited

**i Irregular adjectives**

good – better – best

bad – worse – worst

much – more – most

many – more – most

little – less – least

little – smaller – smallest

**i** If you want to express equality you can use **as** + adjective + **as**: I am **as** old **as** you.

If you want to express inequality you use the **comparative** + than: Tom is **taller** than Mike.

Lucy is **more excited** than her sister.
