

Revise the past simple with us!

**i** We use the simple past to talk about events that happened at a specific time in the past - signal words are: yesterday, in 2018, last week/year, a week/month ago. Form the simple past with "ed" at the end of the verb but look out for irregular verbs like: buy - bought or see - saw. For example: "I laughed about the joke" OR "I brought my favourite toy to school".

**i** To form a negation in the Past Simple use an auxiliary verb in its simple past form and write it in front of the verb. You can use the shortened form or the longer version. For example: Tom didn't/did not go on holiday OR I wasn't/was not at the football match yesterday.

To form a question put the simple past form of the auxiliary verb at the beginning of the sentence. For example. Did Tom go on holiday? Were you at home last night?

Careful: Use "were/weren't" for you, we, they!
