

Let's practise using the term: be allowed to.

**i** The term "be allowed to" is used to say that someone has the permission to do something. In a sentence make sure to change "be" to fit the subject (person).

For example: She is allowed to stay at her friend's house. OR They are allowed to use their Mum's computer.

For questions: Put "be" at the beginning of the sentence. For example: Are you allowed to come?

Negations: I am not allowed to watch that movie.
