

Let's practise relative pronouns together!

**i** Relative pronouns are used to either join two sentences together or to relate them to each other. For example: The famous singer who performs tonight is my sister.

The relative pronouns are:

Who - used for people (subject)

Whom - used for people (object)

Which - used for objects

Whose - used to show possession

Where - refers to places

When - refers to time

What - refers to things

That - refers to people, animals and things

**?**
